The case of Narasamma is very similar to that of Yeggamma whose pay was increased to Rs 50 by 80 dr 5 9 98 (put up)

~~12-9-98~~ ~~was~~ 16-9-98

~~Submitted~~

Both these were first given only 30 each as they had passed the Upper Standard Exn and not the Teachers Cert Exn. Yeggamma having since passed

Her Exn fee pay was raised to Rs 50
Now Narasamma has passed the said Exn & a recommn is made in her behalf also

Chennamma, Venkamma and Bhagirathamma have passed both the Exns named above and are recommended for Rs 50 each Manchamma who had passed both these Exns was given 50 at the outset (vide Sl 55/a)

P Sreerangamma having passed only the Upper Standard Exn is recommended for Rs 30 as was sanctioned in the case of Yeggamma & Narasamma at the outset

The request is reasonable as the salaries these lady teachers now get shall be equal to what Normal teachers & what per-haps of their salaries can be met from Local funds to be thus raised

SIR,

With reference to your Docket No 4079/111 dated 22nd September 1898, I have the hono to inform you that there are already two ladies who have passed the Upper Seconda Examination in the Aryabalika Pathsala Bangalore, and there is no need to emplo more lady teachers who have passed the Upper Secondary Examination in that school. In the Government Girls' School there is only one lady teacher who has passed the Upper Secondary Examination and therefore I recommend that one of the three ladies referred to in para 2 of my letter No 2145/69 of 6th September 1898 who have passed the Upper Secondary

Teachers' Certificate Examination may be employed in the Government Girls' School. The remaining two ladies as well as S Sreeranganna referred to in para 3 of the same letter I recommend may be employed as Headmistresses of the Girls' Schools at Kolar, Chikballapur and Shimoga, the first two on Rs 50 and the last on Rs 30 I would lay it down as a necessary condition that these lady teachers should be accompanied by their husbands or other near relative if they be widows to the places to which they are posted (1) (2)

2 With regard to the male teachers that will be displaced by the above lady teachers I beg to inform you that no additional teachers have been sanctioned during the current year for any of the growing schools A large number of Anglo-Vernacular and Vernacular schools are at present in need of additional teachers for the classes newly formed in them I would therefore employ the male teachers displaced by the lady teachers named above in boys' schools where they are most urgently required.

I have the honour to be,
Sir,
Your most obedient Servant,
